APPENDIX A TO PART 3007—STATEMENT OF COMPLIANCE WITH PROTECTIVE CONDITIONS

AUTHORITY: 39 U.S.C. 503, 504.

SOURCE: 74 FR 30943, June 29, 2009, unless otherwise noted.

§ 3007.1 Definitions for purposes of this part.

(a) *Authorized representative* means any Commissioner designated by the Chairman, any administrative law judge appointed by the Commission under 5 U.S.C. 3105, and any employee of the Commission designated by the Commission. The authorized representative may administer oaths, examine witnesses, take depositions, and receive evidence with respect to any proceeding before the Commission under title 39 of the U.S. Code or obtain information to assist the Commission in the preparation of a report or performance of a function under title 39 of the U.S. Code.

(b) *Non-public materials* means any information, documents, and things filed with the Commission which are claimed to be exempt from disclosure by the Postal Service pursuant to 39 U.S.C. 504(g), 3652(f) or 3654(f), or claimed to be protectable under Federal Rule of Civil Procedure 26(c) by a third party with a proprietary interest in the materials. Non-public materials cease to be non-public if the status has expired or been terminated by the Commission pursuant to this part.

§ 3007.2 Scope.

The Commission or its authorized representative may require the Postal Service to provide any information, documents, and things in its possession or control, or any information, documents, and things that it can obtain through reasonable effort and expense, that are likely to materially assist the Commission in its conduct of proceedings, in its preparation of reports,

or in performance of its functions under title 39 of the U.S. Code. Information, documents, and things the Postal Service may be required to provide, include, but are not limited to, paper hard copy and electronically stored data and materials—including writings, notes, e-mails, drawings, graphs, charts, photographs, sound recordings, images, and other data or data compilations—stored in any medium from which information can be obtained either directly or, if necessary, after translation into a reasonably usable form; or any tangible things.

§ 3007.3 Data or information requests.

(a) The Commission or its authorized representative may issue data or information requests to the Postal Service seeking information, documents, and things covered by § 3007.2. A data or information request shall describe the documents, information, and things sought, briefly explain the reason for the request, and specify a timeframe for receiving the requested information and materials.

(b) The Commission or its authorized representative may issue data or information requests to third parties seeking any information, document or thing. A data information request shall describe the documents, information and things sought, briefly explain the reason for the request, and specify a timeframe for receiving the requested materials.

(c) Any person may request that the Commission issue a data or information request by filing a motion with the Commission, pursuant to § 3001.21 of this chapter, which describes the documents, information, and things sought, explains the reasons the Commission should make the request, and includes a statement of how the materials sought are relevant and material to the Commission's duties under title 39 of the U.S. Code.

§ 3007.10 Submission of non-public materials under seal.

(a) Non-public materials shall not be filed electronically pursuant to § 3001.9 of this chapter, but shall be filed in sealed envelopes clearly marked "Confidential. Do Not Post on Web." The

person filing the non-public materials shall submit two copies consisting, where practicable, of two paper hard copies as well as two copies in easily usable electronic form such as compact discs (CDs) or digital video discs (DVDs) of the non-public materials which shall also be clearly marked "Confidential. Do Not Post on Web." Spreadsheets submitted in electronic form shall display the formulas used, their links to related spreadsheets, and shall not be password protected. All workpapers or data shall be submitted in a form, and be accompanied by sufficient explanation and documentation to allow them to be replicated using a publicly available PC application. Each page of any paper hard copy non-public materials submitted shall be clearly marked as non-public.

(b) The person submitting the non-public materials shall also file an electronic public (redacted) copy of the non-public materials pursuant to § 3001.9 of this chapter. The electronic public (redacted) copy of the materials which are not spreadsheets, data files, or programs must be submitted in a searchable electronic format, but need not be submitted in its native format. As part of its publicly available electronic filing, the Postal Service must appropriately redact materials that contain both public and non-public information. For example, the Postal Service may not identify a whole page or a whole table as non-public materials if the page or table contains both public and non-public information, but must redact only the information it claims to be non-public. If practicable, the Postal Service shall sequentially number each page of the materials identified as non-public.

(c) The Postal Service or third party shall use the graphical redaction (blackout) method for all redacted materials. Should the Postal Service wish to use any other method, it must state with particularity the competitive harm associated with use of the graphical redaction method to justify the use of any other method, and indicate the number of lines or pages removed at each redaction.

(d) The Postal Service or third party shall mark each page, item, and thing,

§ 3007.20

or portion thereof, that it seeks to protect from disclosure in a manner reasonably calculated to alert custodians to the confidential nature of the information or materials.

§ 3007.20 Application for non-public treatment.

(a) Whenever the Postal Service files non-public materials with the Commission, it shall at the same time file an application for non-public treatment under § 3007.21.

(b) Before the Postal Service files non-public materials with the Commission which the Postal Service has reason to believe may implicate a third-party proprietary interest, the Postal Service shall inform each such third party:

(1) Of the nature and scope of the filing with the Commission, including the pertinent docket, and

(2) That it may address its confidentiality concerns directly with the Commission.

(c) A third party with a proprietary interest in the materials may, if it deems necessary, independently seek non-public treatment under § 3007.22.

§ 3007.21 Content of the Postal Service application for non-public treatment.

(a) Whenever the Postal Service files non-public materials with the Commission, it must submit an application for non-public treatment that clearly identifies all non-public materials and describes the circumstances causing them to be submitted to the Commission.

(b) An application for non-public treatment is to fulfill the burden of persuasion that the non-public materials should be withheld from the public.

(c) The application for non-public treatment must include a specific and detailed statement setting forth:

(1) The rationale for claiming that the materials are non-public, including the specific statutory basis for the claim, and a statement justifying application of the provision(s);

(2) Identification, including name, phone number, and e-mail address for any third party who is known to have a proprietary interest in the materials,

39 CFR Ch. III (7–1–11 Edition)

or if such an identification is sensitive, contact information for a Postal Service employee who shall provide notice to that third party;

(3) A description of the materials claimed to be non-public in a manner that, without revealing the materials at issue, would allow a person to thoroughly evaluate the basis for the claim that they are non-public;

(4) Particular identification of the nature and extent of commercial harm alleged and the likelihood of such harm;

(5) At least one specific hypothetical, illustrative example of each alleged harm;

(6) The extent of protection from public disclosure deemed to be necessary;

(7) The length of time deemed necessary for the non-public materials to be protected from public disclosure with justification thereof; and

(8) Any other factors or reasons relevant to support the application.

§ 3007.22 Content of third-party application for non-public treatment.

(a) The application for relief from public disclosure submitted by a party other than the Postal Service must clearly identify all materials believed to be protected from disclosure.

(b) The application for non-public treatment must include a specific and detailed statement setting forth:

(1) A description of the materials claimed to be non-public in a manner that, without revealing the materials at issue, would allow a person to thoroughly evaluate the basis for the claim that they are non-public;

(2) Particular identification of the nature and extent of the harm alleged and the likelihood of such harm; and

(3) Any other factors or reasons relevant to support the application.

§ 3007.23 Treatment of non-public materials.

The Commission or its authorized representative will not publicly disclose or grant access to non-public materials except as provided in the rules of this part.

§ 3007.25 Use of non-public materials.

Except as pursuant to this part, persons with access to non-public materials under § 3007.24 may not:

- (a) Use such materials for purposes other than the purposes for which they are supplied.
- (b) Permit anyone who is not allowed access under § 3007.24 to have access to any such materials.

§ 3007.30 Termination of non-public status.

Ten years after the date of filing with the Commission, non-public materials shall lose non-public status unless the Commission or its authorized representative enters an order extending the duration of that status.

§ 3007.31 Request for early termination of non-public status.

(a) Any person may make a request to the Commission that non-public materials be publicly disclosed. Each such request shall provide a specific and detailed statement justifying why the non-public materials should be made public, giving specific recognition to any pertinent rationale(s) provided in the application for relief submitted pursuant to § 3007.21 or § 3007.22. The request, however, shall not publicly disclose any of the non-public materials. If it is necessary to use the non-public materials to formulate the argument

in favor of public disclosure, the argument utilizing the non-public materials shall be filed under seal.

(b) Any interested person, including the Postal Service, may file a response to the request within 7 days after such a request is filed, unless a longer period is specified by the Commission.

(c) Unless the Commission otherwise provides, no reply to a response filed pursuant to paragraph (a) of this section shall be filed.

(d) Following the filing of responses, if any, the Commission will issue an order determining the appropriate degree of protection, if any, to be accorded to the materials claimed to be non-public by the Postal Service or third party with a proprietary interest in the materials.

§ 3007.32 Preliminary determination of non-public status.

(a) Whenever the Postal Service files non-public materials, the Commission may issue a notice of preliminary determination concerning the appropriate degree of protection, if any, to be accorded to such materials.

(b) Any interested person, including the Postal Service, may file a response to the Commission's notice of preliminary determination within 7 days after such a notice is filed, unless a longer period is specified.

(c) Unless the Commission otherwise provides, no reply to a response filed pursuant to paragraph (b) of this section shall be filed.

(d) Following the filing of responses, if any, the Commission will issue an order determining the appropriate degree of protection, if any, to be accorded to the materials claimed to be non-public by the Postal Service or third party with a proprietary interest in the materials.

§ 3007.33 Standard for decision for early termination of non-public status.

(a) In determining whether to publicly disclose non-public materials filed by the Postal Service, the Commission shall balance the nature and extent of the likely commercial injury identified

§ 3007.40

by the Postal Service against the public interest in maintaining the financial transparency of a government entity competing in commercial markets.

(b) In determining whether to publicly disclose non-public materials in which the Commission determines a third party has a proprietary interest, the Commission shall balance the interests of the parties based on Federal Rule of Civil Procedure 26(c).

§ 3007.40 Request for access to non-public materials.

(a) During a Commission proceeding, any person may file a motion pursuant to § 3001.21 of this chapter requesting access to non-public materials. The motion shall include:

(1) A detailed statement providing justification for access; and

(b) To expedite the process, each person seeking access to non-public materials may attach to the motion an executed copy of protective conditions such as those provided in Appendix A of this part.

(2) In all other circumstances, answers are due within 7 days after such a motion is filed.

(c) Unless the Commission otherwise provides, no reply to an answer filed pursuant to paragraph (b)(1) or paragraph (b)(2) of this section shall be filed.

(d) Following the filing of answers, if any:

(1) The Commission will issue an order allowing or denying access and setting forth the appropriate protective conditions, if any, to be accorded non-public materials, or

(2) If the Postal Service or third party with a proprietary interest does

39 CFR Ch. III (7–1–11 Edition)

not contest a person's access subject to agreed protective conditions, the Commission or its authorized representative may issue an order allowing access subject to the agreed protective conditions.

§ 3007.41 Termination of access to non-public materials.

(a) Except as provided in paragraph (b) of this section, access to non-public materials obtained under § 3007.40 terminates either when the Commission issues a final order or report in the relevant proceeding or the person withdraws or is otherwise no longer involved in the proceeding, whichever occurs first. For purposes of this section, an order or report is not considered final until after the possibility of judicial review expires.

(b) Access to non-public materials shall continue for persons seeking continued access under § 3007.50.

(c) Upon termination of access under paragraph (a) of this section, all non-public materials in a person's possession must be destroyed, and the form attached to the protective conditions certifying destruction must be executed and filed with the Commission.

(2) A list of relevant affiliations, including employment or other relationship (including agent, consultant or contractor) with the party requesting

Postal Regulatory Commission

§ 3007.61

(b) To expedite the process, each person seeking access to non-public materials may attach to the motion an executed copy of protective conditions such as those provided in Appendix A of this part.

(1) If an executed copy of protective conditions is attached and if actual notice of the motion has been provided by conversation or e-mail exchange to all persons identified by the Postal Service under §3007.21(c), answers are due within 3 days after such a motion is filed.

(2) In all other circumstances, answers are due within 7 days after such a motion is filed.

(c) Unless the Commission otherwise provides, no reply to an answer filed pursuant to paragraph (b)(1) or paragraph (b)(2) of this section shall be filed.

(d) Following the filing of answers, if any:

(1) The Commission will issue an order allowing or denying access and setting forth the appropriate protective conditions, if any, to be accorded the non-public materials, or

§ 3007.51 Termination of access to non-public materials relevant to compliance.

(a) Access to non-public materials obtained under §3007.50 terminates either when the Commission issues its next Annual Compliance Determination (ACD) or the person withdraws or is otherwise no longer involved in the relevant proceeding, whichever occurs first.

(b) Access to non-public materials shall continue for persons seeking continued access under §3007.50.

(c) Upon termination of access under paragraph (a) of this section, all non-public materials in a person's possession must be destroyed, and the form

attached to the protective conditions certifying destruction must be executed and filed with the Commission.

§ 3007.52 Standard for decision for request for access to non-public materials relevant to compliance.

In determining whether to grant a request for access to non-public materials relevant to compliance, the Commission shall balance the interests of the parties based on Federal Rule of Civil Procedure 26(c).

§ 3007.60 Limitations on access to non-public materials.

To afford appropriate confidentiality to non-public materials during any stage of a proceeding before the Commission, or in connection with any other purpose under title 39 of the U.S. Code, the Commission may, based on Federal Rule of Civil Procedure 26(c):

(a) Prohibit the public disclosure of the non-public materials;

(b) Specify terms for public disclosure of the non-public materials;

(2) Ruling by default against the person who violated the protective order; and

(3) Such other sanctions as the Commission or its authorized representative deems appropriate.

APPENDIX A TO PART 3007—STATEMENT OF COMPLIANCE WITH PROTECTIVE
CONDITIONS

Appendix A to Part 3007—Statement of Compliance with Protective Conditions

The Postal Service (or a third party) has filed non-public materials identified as _____ in Commission Docket No. (if any) _____. The Postal Service (or a third party) requests confidential treatment of the materials (hereinafter “these materials”).

The following protective conditions limit access to these materials identified as _____ by the Postal Service (or third party). Each person seeking to obtain access to these materials must agree to comply with these conditions, complete the attached certifications, and provide the completed certifications to the Commission and counsel for the Postal Service.

1. Access to these materials is limited to a person as defined in rule 5(f), 39 CFR 3001.5(f), or an individual employed by such person, or acting as agent, consultant, contractor, affiliated person, or other representative of such person for purposes related to the matter identified as _____. However, no person involved in competitive decision-making for any entity that might gain competitive advantage from use of this information shall be granted access to these materials. “Involved in competitive decision-making” includes consulting on marketing or advertising strategies, pricing, product research and development, product design, or the competitive structuring and composition of bids, offers or proposals. It does not include rendering legal advice or performing other services that are not directly in furtherance of activities in competition with a person or entity having a proprietary interest in the protected material.
2. No person granted access to these materials is permitted to disseminate them in whole or in part to any person not authorized to obtain access under these conditions.
3. Immediately after access has terminated under 39 CFR 3007.41 or 3007.51, a person (and any individual working on behalf of that person) who has obtained a copy of these materials shall certify to the Commission:
 - (a) That the copy was maintained in accordance with these conditions (or others established by the Commission); and

- (b) That the copy (and any duplicates) either have been destroyed or returned to the Commission.
- 4. The duties of each person obtaining access to these materials shall apply to material disclosed or duplicated in writing, orally, electronically, or otherwise, by any means, format, or medium. These duties shall apply to the disclosure of excerpts from or parts of the document, as well as to the entire document.
- 5. All persons who obtain access to these materials are required to protect the document by using the same degree of care, but no less than a reasonable degree of care, to prevent the unauthorized disclosure of the document as those persons, in the ordinary course of business, would be expected to use to protect their own proprietary material or trade secrets and other internal, confidential, commercially sensitive, and privileged information.
- 6. These conditions shall apply to any revised, amended, or supplemental versions of these materials provided in the matter identified as _____.
- 7. The duty of nondisclosure of each person obtaining access to these materials is continuing, terminable only by specific order of the Commission, or as specified in paragraphs 9 and 10, below.
- 8. Each person granted access to these materials consents to these or such other conditions as the Commission may approve.
- 9. Any written materials that quote or contain materials protected under these protective conditions are also covered by the same protective conditions and certification requirements, and shall be filed with the Commission only under seal. Documents submitted to the Commission as confidential shall remain sealed while in the Secretary's office or such other place as the Commission may designate so long as they retain their status as stamped confidential documents.
- 10. If a court or other administrative agency subpoenas or orders production of confidential information which a person has obtained under the terms of this protective order, the target of the subpoena or order shall promptly (within 2 business days) notify the Postal Service of the pendency of the subpoena or order to allow it time to object to that production or seek a protective order.
